Cleaning Up Our Town

Broken Hill academy do their bit for our Clean Up Australia Day event.

On Friday of Week 6, the Broken Hill boys took part in the Clean Up Australia Day event in Broken Hill, cleaning up the vacant block opposite our local correctional centre. We were also very fortunate to have one of our local partners, Kath Hawkins from Hydrostor, come along to lend a hand. She joined us bright and early on a Friday morning to help the boys clean up our community.

The four boys (top right photo, from left: Sammy G, Tyreece D, Steve B, and Kaeden B) were up and ready to rock at 6:30am and absolutely smashed it, making a huge difference on that block of land. Many community members provided feedback on what an outstanding job the boys did.
